RE: PL 33316 Met. Minerals

Dear Mr. Willis:

I understand that mining operations of your sublessee, The Sum Company, have been completed on the above numbered lease. The State, therefore, requests that full reclamation be completed at the Chum Mine site. Surety bond #5767850 in the amount of \$10,000, posted with the Division of State Lands by The Sum Company to assure lease performance and reclamation, is in effect.

Please be advised that no relinquishment or assignment of this lease from Plateau Resources, Ltd. to any third party is valid until approved by the State. Consideration for such approval must be preceded by written request and/or assignment application, and by reclamation of all mining surface disturbances on the property.

Please contact me should you have any questions.

Sincerely yours,
